

# Early Childhood Education's customer services is expanding to Vantaa Info as of September 25

Customer service is expanding to Vantaa Info, which makes it even easier for families to contact Early Childhood Education's customer service: all Vantaa Info offices offer the service, including by phone and email. Next year, customers will be able to contact the customer service also through chat.

Vantaa Info provides families with support as regards, for example, filling in Early Childhood Education's application forms, making income statement related to customer fees, as well e-Services.
