

Help with school enrollment

Hello, you have received the Welcome to School letter because your child was born in 2014, which means that school begins in August 2021. The letter includes Finnish-language instructions for enrolling your child in school. Help with school enrollment is provided by [Vantaa Infos](#), multilingual advisors, and organizations.

Schools' multilingual advisors will help you over the phone / WhatsApp in the following languages: English, Albanian, Arabic, Somali, Russian, and Estonian.
