

**Accept or decline
the service voucher
in the VaSa service**

Accepting the service voucher place

- When a professional has made a positive decision on the child's service voucher, the guardian is notified about it by an email sent to the email address they notified in the communication settings of the VaSa service.
- The guardian can access the service voucher acceptance document either through the link in the email they received or by logging in the VaSa service and clicking the reception card on the Topics tab, or through the Documents tab.
- After accepting the service voucher, the Info page will open to the guardian. In addition, the guardian will receive a notification about the acceptance to their email. Likewise, the guardian will be informed when a professional accepts the service voucher on behalf of the guardian.

Accept or decline service voucher usage ?

Your child has been issued a service voucher. Accept or decline the service voucher by the deadline below.

Before accepting the service voucher, you should contact the private daycare center accepting the service voucher and make sure there is a place for your child. If you choose a different private daycare center accepting the service voucher than the one stated in the decision, you need to contact the decision maker before accepting the service voucher.

If your child's application for early childhood education has also had a public unit as an option, when declining the service voucher, you can choose whether the child would need a place at a public unit.

If you decline the issued service voucher and the child again needs to get a place in early childhood education, a new application must be made for them. The application will be processed within the time required by law.

If you cannot accept or decline the service voucher, contact the decision maker, so that they can accept or decline the place on behalf of you.

Deadline 14.06.2022

| Name | Unit | Type | Start date | Extent | Service format |
|----------------------|-------------------|------|------------|----------------------|----------------|
| Veijo Antero Arminen | Fazerin päiväkoti | ECEC | 01.08.2022 | 25 - 35 h, Full time | Private |

Please accept or decline service voucher usage here ?

You can continue by first selecting either "Accept the service voucher place" or "Decline the service voucher place". If your child's application for early childhood education and care had at least one public unit, you must choose whether or not you need a place for your child in a public early childhood education and care unit after selecting "Decline the service voucher place". Finally, click the "OK" button to save your choices

Declining the service voucher place

- If the guardian declines the service voucher, they shall inform whether the child still needs municipal early childhood education. A professional can also decline the service voucher decision on behalf of the guardian.
- The service voucher declining selection boxes will not be available for browsing, if the placement has already begun, or if pre-primary education and supplementary early childhood education applications have been made for different places.
- Under the Decline the service voucher place selection there are two alternatives, if the application has stated at least one wish for a municipal early childhood education place:
 - Decline service voucher, but the child needs a place from public early childhood education and care.
 - Decline service voucher, because the child doesn't need a place from early childhood education and care.

Accepting or declining the service voucher place

- If the document has been accepted or declined by a professional, the guardian is shown the potential appendix and further information added by the professional.
- After accepting or declining the service voucher, the Info page will open to the guardian. In addition, the guardian will receive a notification about the acceptance or rejection to their email. Likewise, the guardian will be informed when a professional accepts or declines the service voucher on behalf of the guardian.
- If the service voucher has been declined, it can no longer be accepted.
