

Vantaa Culture Kids

Every Vantaa child born in 2023 and after are invited to join Vantaa Culture Kids. Vantaa Culture Kids can participate in two events annually with an accompanying adult until the child starts school. The programme is free of charge.

Majority of the events are suitable for all families, regardless of language proficiency and cultural background. You can choose the events that best suits you.

The events have been planned in a child-oriented way to make participation as easy as possible. The staff at the Vantaa Culture Kids events will help and guide you.

The events are organised by more than twenty artistic and cultural operators all over Vantaa.

Wellbeing from culture for you and your child!

The events for Vantaa Culture Kids have been planned to support the children's development and developmental stages. Even small babies observe their environment in different ways. Making and experiencing art positively impacts the lives of children and adults alike. An adult's and child's together time promotes entire family's wellbeing and coping with everyday life.
