Notification of food business activities compliant with section 10 of the Food Act (297/2021)

Version 3.0/5 January 2024

OPERATOR FILLS IN THE APPLICABLE FIELDS

Email address of contact person

The notification of food business activities for the registration of activities or announcement of material changes to existing activities must be sent to the Vantaa Environment Centre four weeks before the beginning of activities or material changes. The Environment Centre must also be notified of the suspension and termination of activities without delay.

Please attach a floor plan of the food premises, indicating the area and nature of the premises and the placement of the equipment and fixture, to the notification. The description of activities should be as detailed as possible. The Environment Centre may request the operator to provide other information and accounts relevant for the processing of the notification. The Environment Centre issues a certificate of the processing of the notification. The certificate is subject to a charge.

Please send the form to the following address: Vantaan kaupungin ympäristökeskus, Ympäristöterveys, PL 8801, 01030 Vantaan kaupunki, or by email to: ymparistoterveys@vantaa.fi
