

SUMMER CAMPS INFO

2024

HEY,

Your child has been accepted to a summer camp.

Please take a close look at the camp booklet, which contains instructions for the camp. Parents should complete and return the bottom section of the camp letter to the camp counselors on the first day of camp.

Please also look into the weekly camp program outline, which will give you an idea of what the weekly program will consist of. The programme will be completed and modified by the counsellors during each week of camp.

If your child is unable to attend the camp, you can cancel your participation: via the online registration system until the Wednesday before the week of the camp, or by e-mail to ossi.koskela@vantaa.fi or josefiina.hokka@vantaa.fi. If the cancellation is not made by the deadline, the camp fee will be charged in full.

The cost of the camp is 32,00€/ week per child. The invoice will be sent to the participant's home address at the end of the week. The unpaid invoice will be sent for collection.

Absences during the camp week should be reported directly to the camp office by phone or SMS.

Welcome to our sporty summer camps!

Best camp wishes,

Ossi Koskela

ossi.koskela@vantaa.fi, 040 198 4663

FOR PARTICIPANT

Read this camp invitation and the weekly programme carefully to get a good overview of the camp activities. The weekly camp programme serves as a framework for the camp activities. It tells you what will happen on the days of the camp, what equipment you might need to bring. The camp framework is the same each week, but the weekly programme is not permanent, but is intended to provide information to guide you through the camp activities. The content of the topics will evolve from week to week and, for example, in outdoor sports, the sports will change from week to week. Children also have the opportunity to submit programme requests. The instructors will complete the programme at the beginning of the camp week and inform the homes of any additional equipment that may be needed during the week. The outdoor sports activities are weather permitting, but we are not afraid of a little rain, and dressing for the weather is important.

The camps start on Monday at 8.30 am at the site you have been selected for! The day camps will run from 8.30 to 15.30. The camps will be led by sports instructors. The day always starts and ends at the camp site or in the immediate vicinity. If you are leaving camp earlier in the day, we hope that your parents will take note of the activities and their nature in the programme. Campers do not spend the whole day in the same place, so arriving or leaving outside of the program may make it difficult to complete the planned program. Arrivals and departures that deviate from the normal start and end times of the camp day must always be notified to the counsellors in advance.

Day camp meals are provided by your own picnic. It is therefore advisable for your child to have a proper breakfast before arriving at the camp. Your own snacks will be eaten in the day camp's own facilities at lunchtime. The snacks should be products that can be kept without refrigeration. No sweets, fizzy drinks or crisps. We cannot promise refrigerator storage or a microwave to heat your snacks. Please take into account the physical activity of the day; it is a good idea to bring a generous, energy-rich pack of snacks, including rye bread, fruit, vegetables, nuts, snack bars. A change of clothes may also be necessary.

The fee for the week is 32€/child/week and will be invoiced after the week. If you are prevented from attending the camp, please inform us immediately at the phone number below or by email so that we can take another child from the camp queue.

If you have any questions or concerns about the day camps during the week, please contact the sports services coordinator or the summer camp leader. We will respond to any questions or changes regarding the day camp and forward any feedback or messages to the counselors at the camp in question. Each camp has its own camp phone, where you can directly report any absences or if a camper arrives late/leaves camp early.

FOR PARENT

The camp fee of €32/child/week will be invoiced after the camp week.

There is no fridge or microwave at the campsites, so pack healthy snacks that don't require them.

Below is a questionnaire for parents, which must be completed and returned to the counselors at the start of the day camp!

print and cut

Name of the child _____

Week(s) the child is participating (circle) 23 24 25 26 31

Entering and leaving the camp (cross)

entering with escort

leaving with escort

entering on his/her own

leaving on his/her own

Anything the instructors should know of the child (allergies, chronic illnesses, special needs etc.):

Guardians name and signature _____

CAMP CHECKLIST

2024
