

Consent for Children's Transfers to and from the Sports Afternoon

 Mandatory questions are marked with an asterisk (*)

Sports Afternoon – Spring 2026

[Schedules and Additional Information](#)

1. Information Regarding Transfers

Child's First name _____

Child's Last name _____

Guardian's Eemail _____

2. OUTWARD JOURNEY: From School to Sports Afternoon *

- ☐ I want my child to **always** travel to the Sports Afternoon under supervision with a safe adult.
- ☐ Not necessary. My child may also transfer **independently** by walking, cycling, or with a self-purchased HSL ticket.

Supervised Transfers

Responsible adults have received training in traffic safety and guide children to act safely.

Ultimately, the responsibility for the child's transfers lies with the guardian, especially if the child does not follow the given instructions.

Transfers are always attempted to be organized by the Sports Afternoon arrangements, but they cannot be guaranteed in all situations, for example during flu season.

Independent Transfers

My child knows the traffic rules required for the route, and the route to the sports facility is familiar.

Note! Before an independent transfer, meet in front of the main school entrances according to the school's instructions. A responsible adult will give instructions and permission for independent travel.

Transfers by bicycle cannot be organized in a supervised manner and must always take place independently.

3. RETURN JOURNEY *

*If you choose "always", you cannot make other selections at the same time.

☐ Yes, my child must **always*** return to school with a responsible adult. After that, they can travel home.

☐ If my child lives along the return route, they may leave the supervised transfer earlier.

☐ My child will **always*** be picked up from the activity venue, e.g., by a guardian.

☐ My child will **sometimes** be picked up from the activity venue, e.g., by a guardian. We will inform the project coordinator 040 540 7271 of this. Otherwise, the child will return to the school.

☐ My child **may return home independently** by walking, cycling, or with a self-purchased HSL ticket. My child knows the traffic rules required by the route, and the route from the sports venue to home is familiar.

Changes to Consent

Consent can be changed later via a link sent to your email if needed.

Changes will never be accepted through the child alone.

Read more information about the responsibilities and insurance for transfers in the confirmation email you will receive after registration.
