

VANTAA'S INTEGRATION SERVICES FOR UNEMPLOYED FOREIGN-LANGUAGE SPEAKERS

Our services for you if you cannot work or are not seeking a job at the moment.

You can be unemployed because, for example:

- you are staying at home to care for a child
- you are a retiree or a carer
- you have a disability or a disease
- you are in Finland on the basis of international protection.

You will get personal advice and guidance, for example, in the following matters:

- Finnish-language or Swedish-language courses
- studying
- hobbies and leisure time
- services and activities in your own neighborhood
- services supporting you in finding a job.

The services are free of charge.

We serve you in Finnish, Swedish, English, or in your own language.

When required, we will use an interpreter.

We will help you build yourself a good life in Finland and in Vantaa. Do not hesitate to contact us!

OUR SERVICES ARE MEANT FOR YOU. WELCOME!

Guidance and counseling

**Social orientation courses:
information about Finland**

**Assessing your need for
knowhow and services**

Integration plan

Enroll, and we will book you an appointment with us!

During our meeting we will discuss the following issues together:

- what will help you to integrate
- your and your family's situation
- your education and language skills
- where you can find the services that are suitable for you.
- your work experience and your goals for working.

Enroll in our services by filling out the form that will open through the QR code that is in the brochure. You can also enroll by phone or by email.
